The Veritas

1951

St Anthony High School

FORT LAUDERDALE, FLORIDA

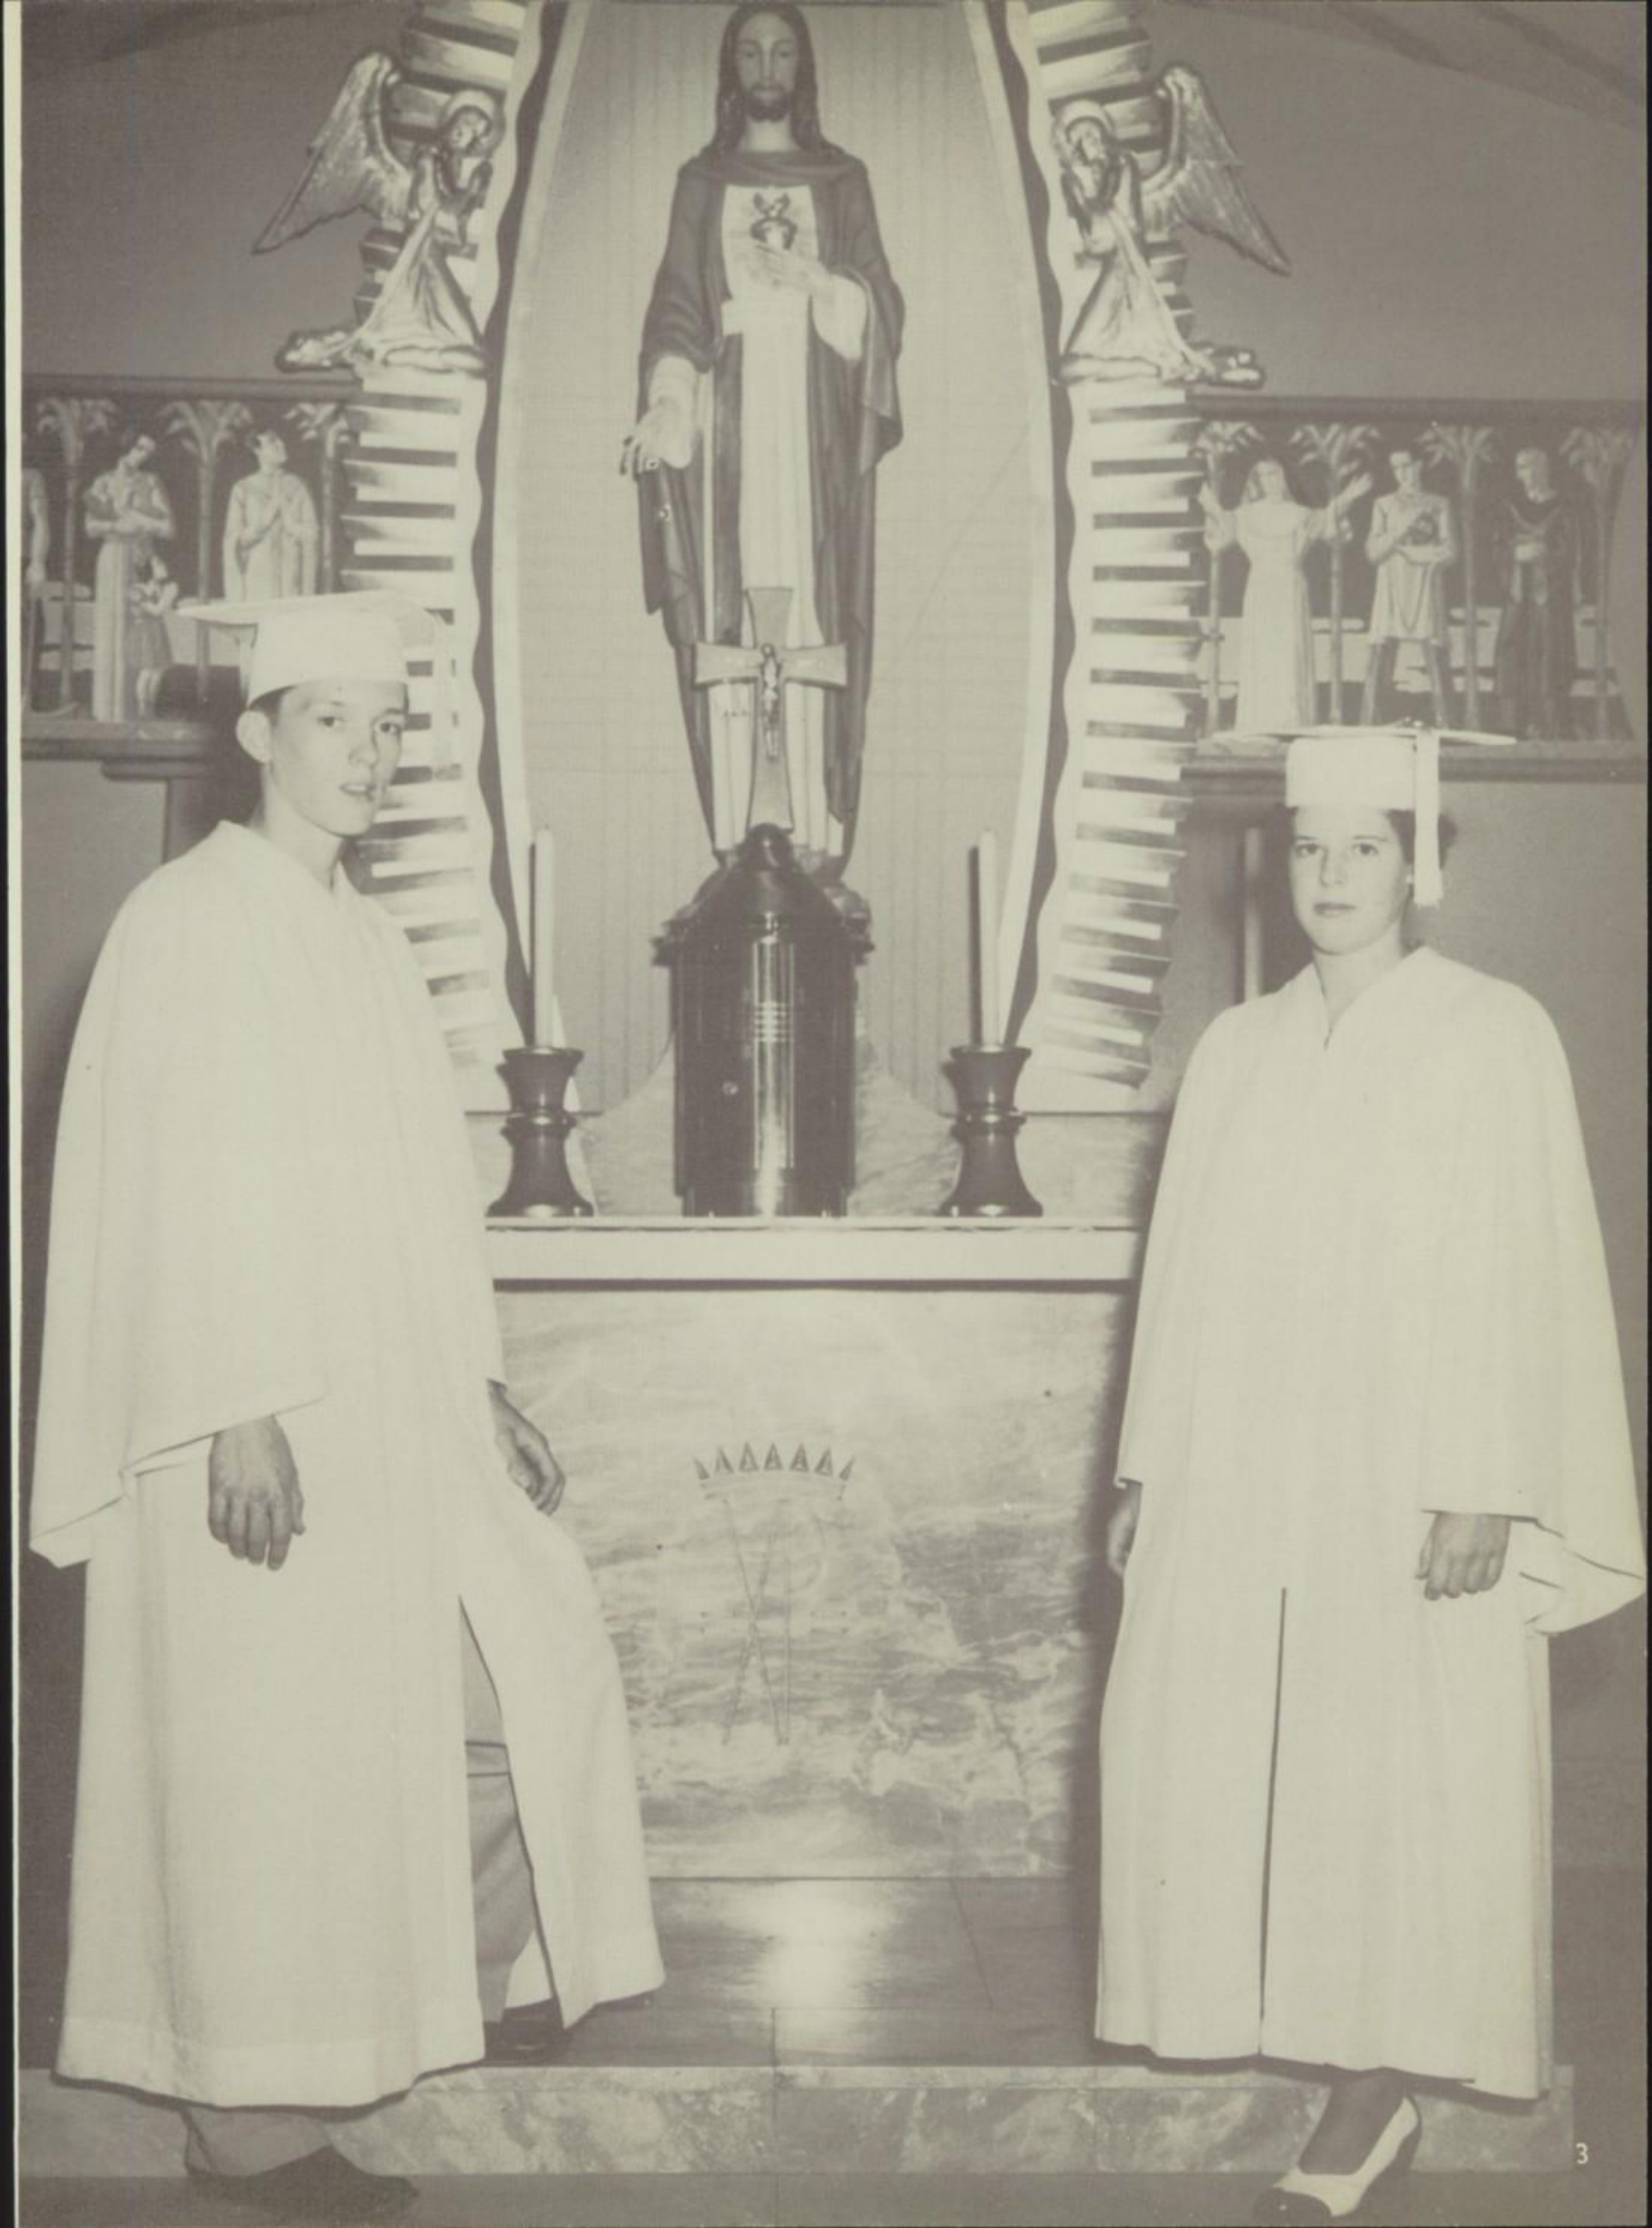
DEDICATION

We, the Senior Class, take pride in dedicating this 1951 Veritas to Christ, the King. For four years we have learned the simple truths taught by Christ during His brief stay on earth. Soon we will be tested to find out how well we have learned; an examination that will last the rest of our lives. As graduates of a Catholic high school, we have had a rare opportunity, that of learning the simple but complex truth and its application. We have had instilled in us a high standard of morals, which in days to come, will help us solve many difficult problems in our materialistic world. We, who have lived most of our years in a world where suffering and war were common, and peaceful days few, will now tackle the adult problems and try in our decisions to keep His divine commandments in mind. We have chosen as our patroness Our Lady of Fatima, remembering her promises and, under the guidance of the Sodality, have tried to say her Fatima Rosary. As we leave the protection of St. Anthony's, may we in truth become apostles of Christ and His Blessed Mother, and spread their word, which shall prove to be, in time, the eradicator of the bloody threats of communism, materialism, and socialism.

To our parents also, we owe a tremendous debt of gratitude for their patience, understanding, guidance, and counsel. Their pride in us, who have finally scaled the heights of seniority, is their only reward. Now it is up to us to justify their confidence in us, and throughout our lives to keep our faith ever burning, as a shining symbol to these courageous and self-sacrificing people.

Our community, also, is not to be forgotten. Two parish-sponsored clubs have contributed much to make our days here a little easier. Under their careful guidance, our program of activities and sports is practically complete. Our community has acted as our personal friends and encouraged our many activities, both financially and intellectually.

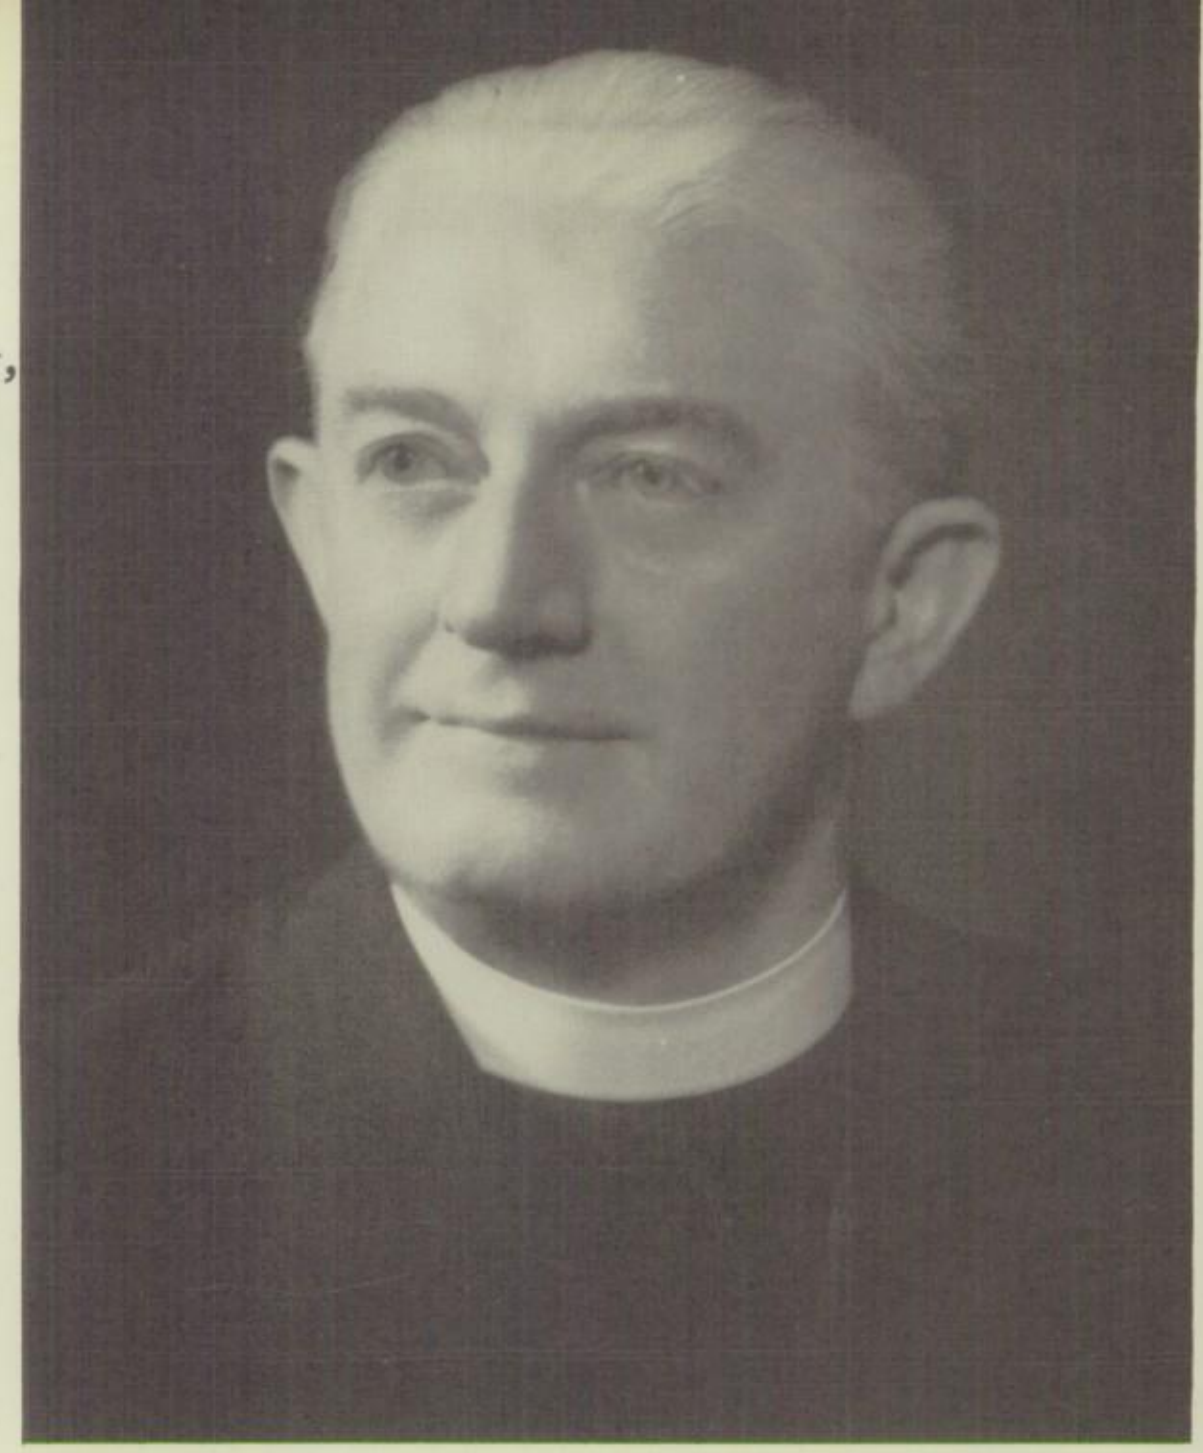
In all, we have a gigantic debt—one that cannot be repaid in mere money. Our only method of repayment can be to preserve the truths we have learned while here and bring the knowledge of it to all we encounter; that the Truth may set free the peoples of the earth and bring forth the long awaited reign of peace.



TO OUR PASTOR

We, the senior class of 1951, wish to pay tribute to the man who has made our stay at St. Anthony's possible. This man came here at an early age and labored diligently, so all of us could have a house of worship and a place to receive an education.

None of us may truly visualize the hardships and trials this man had to endure to realize his aim. Under his leadership this parish has grown from a small group of parishioners in 1926 to one of the most prosperous and continually growing parishes on the Florida east coast. He has asked for nothing in return, for he is working for God and mankind. We are sure, however, that in the future he will receive his reward. We offer our humble respect, and prayers, to a truly great man, the Reverend John J. O'Looney.



TO OUR GRADUATES OF 1951

As the time approaches to award diplomas to the graduating class of 1951, one phrase, one bit of ancient advice recurs again and again in our thoughts. It is the words of St. Paul, that valiant soldier, "Put ye on the Lord Jesus Christ."

Perhaps never before have we so needed militant men and women, not to DEFEND the Faith but to LIVE the Faith. St. Paul's words ring out the challenge to our century to LIVE Christ in the midst of a world that has tried very hard to forget Him.

We remind you, as you leave your Alma Mater, that you owe a tremendous debt to your parents, your teachers and your parish-priests. You have only one way in which to repay this debt and that is to lead exemplary Catholic lives and to influence those about you to do likewise. If you accomplish this, you will have amply repaid the sacrifices upon which your education has been founded.

Know always, that regardless of circumstances, time or place, your priests, and your teachers, will be ever ready and willing to help you should you need them. We shall always remember you in our prayers and we ask your patroness, Our Lady of Fatima, to take you in her special care and lead you, after a rich Catholic life to the Throne of Christ, the King. God bless you, always.

Reverend John O'Looney

REVEREND ROBERT HOSTLER

Father Hostler is new on our faculty this year and he has already made a place for himself in our lives. Though we think he has still a soft place in his heart for the "Miamians" he left behind him, we appreciate this loyalty and we feel sure that we will also earn a place in his affection and loyalty.

We wish you success in your work in our parish, Father, and happiness among us.

TO THE SISTERS

We offer the rosary, with humble gratitude, for the Sisters of Saint Dominic, who instructed us in the classrooms and trained us in the fundamentals of living. They who devoted their lives to the teaching of others, have given untold sacrifice and undaunted zeal in guiding us to our eternal goal. They are the shining example of goodness, which directs us along the way of life to true peace. They hold high the torch of truth, bringing the Light of the World to all in the midst of chaos and confusion. They have put forth unceasing efforts in transforming us into Christlike men and Marylike women, prepared to cope with the Godlessness of modern times. Nothing which we could do would repay fully all they have done for us. Yet we can express thanks from the depths of our hearts and promise always to live up to the standards that they have set for us, that their patient understanding and constant vigilance shall not go unrewarded.

MISS JOYCE BROWNE

"Our Miss Browne," but now Mrs. Frank Amato, Jr., has twice changed her status this year. She changed from physical education instructor to sixth grade teacher and from the state of single blessedness to the wedded state of bliss! She is an alumna of St. Anthony's and Barry College and is instilling the ideals of these schools in the lives of her students.

MISS DRUCILLA GNANN

Girls' physical education instructor, comes to us from Rosarian Academy, West Palm Beach. Miss Gnann is a graduate of Florida State University and though small in stature, she more than makes up size in vim and vigor. We're hoping to see you around St. Anthony's for a long time, Miss Gnann.

MR. P. G. LITZINGER

Coach Litzinger, a graduate of Xavier University, Cincinatti, has been among us for five years. He has an enviable reputation for calmness, patience, and friendliness. We never see the Coach ruffled, win or lose, he smiles!

THE AMERICAN WAY PAYS OFF!

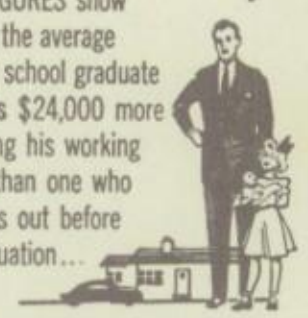
by REDDY KILOWATT
Your Electric Servant

1

WHY WILL ONE OF THESE BOYS EARN $24,000 MORE THAN THE OTHER ONE?

2

FIGURES show that the average high school graduate earns $24,000 more during his working life than one who drops out before graduation...



COLLEGE GRADUATES DO EVEN BETTER!

3

EDUCATION fits you for careers in PUBLIC SERVICE...as in the field of electricity where American genius has given the world electric light and power, telephones, radio, movies, phonographs, scores of time-saving, work-saving services to make a better, brighter world in which to live.

Under the American Way...❶ you're free to finish your education along any lines you want... ❷ you're free to choose your own career...and go as far in it as your talents and abilities will let you - So FINISH SCHOOL and then

THE SKY'S THE LIMIT!

Each year more and more high school and college graduates are finding their future with the business-managed electric light and power companies of America.
